Hi Deepak,

oh yes, I read them and after that went to your scribt-page and read everything that is there.

What you discovered at Deutsche Bank in regards to almost 100percent loans and the connection to bonuses is exactly what apparently happened at Hypo Real Estate (only that they offered 160 percent commercial real estate loans which in German is actually against the law. I am researching that story right now) so I am a little familiar with the topic. I just did a story about Merkel and her advisers and how badly their bank-overview functions. (<http://www.zeit.de/2009/15/DOS-Kanzleramt>)

I believe what you discovered in a heartbeat. I think your demands for better risk management and a different incentive structure need more audience - and connected with that very case that you are presenting, it would make a big, big story. I write 8000 word features (kind of like a New York times Magazine Story) and I would very much write about you and the case you are making. There are a lot of people out there that demand change, but there is you who can show how rotten the system still is, and how the managers say one thing to the media and something else to people like you.

The fact that your letter was ccd to Angela Merkel makes it even more interesting, because I could confront her with it, and ask about her real interests in changing the system (like she said on the G20 summit)

So any clue when you will be back in New York?

Kerstin

Hi Kerstin,

Unfortunately, I am stuck in Asia. Hearings are discontinuous, and I'm not sure when the next hearing will be. The April hearing was public, but most are closed hearings (including this Friday's hearing).

I'll recommend that we "meet" via videoconference. It's the next-best alternative and better than a phone call. Maybe even this weekend.

Thanks,
Deepak

Hi Michael,

Yes, I was. Bonus day turned into a bigger distraction than imagined. Apologies for the delay.

I've convinced the sponsor of a large JREIT to go private in an MBO transaction. It's fairly large transaction (\$1.7-1.8 billion), and if necessary, I would like to get your advice if we hit any major hiccups. Currently, we do not have any major issues, but I wanted to introduce myself well in advance in the event that I need some advice.

Thank you.

Dear Mr. Hatt,

As previously disclosed, I am a member of the National Union of General Workers Tokyo Nambu ("NUGW"), and I deliver this shuro as my right and obligation to demand work. NUGW has begun collective bargaining with Deutsche Bank in order to reinstate my employment and to discuss the inadequate governance structures and lax internal controls at Deutsche Bank Japan.

As stated in the April 12, 2007 letter from Michael Cohrs, "I have witnessed violations of Japanese securities laws. These violations are numerous and willful, and these violations may have triggered criminal liability." Your termination notice of September 11, 2007, has been previously rejected. Retaliation would be illegal under Japanese law, and any retaliation may demonstrate a knowing attempt to conceal the legal and regulatory violations in the commercial real estate group.

I have not resigned despite your attempts to force my resignation. I am ready for work today. Please give me work.

Sincerely,

Deepak Moorjani

Kimura-san

As we discussed in this morning, I explained the current situation to Murakami-san in HR. After that, I arranged conference call with Sunil Madan and it is already fixed on tomorrow at 17:00 (Tokyo Time).

Murakami-san and I will have a conference call with him and ask him about our concerns. If you need to join it, please let me know.

As to investigation of Frank's e-mail for Pipeline issue, I will start it as soon as I obtain Mitch's approval.

Regards,

Below are draft notes of the interview I had with Frank Forelle yesterday.

NEXT STEPS

I suggest for your consideration that the next steps should be:

- (a) we interview Sunil Madan. Tom Kimura has agreed to do that by telephone as soon as possible this week;
- (b) when Deepak Moorjani returns to Tokyo from the US next week, we press him again to produce all evidence he has of any alleged violations or wrongdoing. In the two weeks since he was interviewed he has not produced any evidence;
- (c) agree a letter to Mr Moorjani in response to his letter. I suggest that this letter be signed by David Hatt as President and CEO of DSI (the employer of Mr Moorjani). David Hatt has been briefed on this matter. I will draft the response letter for your review. Once agreed, that letter should be delivered to Mr Moorjani.

I also propose giving the draft notes of meeting to Frank Forelle to check for accuracy.

Subject 【Confidential】 Frank Forelle's e-mail

Kimura-san

Here is the result of Frank Forelle's e-mail box review.

【Focus】

Review Mr. Forelle's e-mail box and check if there is any "Deal Pipeline Report" as Deepak Moorjani pointed out at the interview.

【Summary】

There were several type of "Pipeline Report" which is shared by DB/CRE Management (Sunil Madan) and Mr.Forelle.

However, I could not find any report which covers details of individual deal, so I believe there is no "Deal Pipeline Report" as Mr.Moorjani insisted on.

【Details】

1. Management Report

There were three "Management Report" founded from Mr.Forelle's e-mail.

In those reports, DB Tokyo's information, such as expecting revenue amount from individual deals, probability of those deals and balance sheet information, are included.

However, there was no "Non-Public Client Information" included, therefore these cases do not breach Firewall regulation.

- 2006.11.11 John Griffin(NY) to Frank Forelle(DSI) and Sunil Madan(DB)
- 2006.11.17 Austen Gardiner(NY) to Frank Forelle(DSI) and Sunil Madan(DB)
- 2006.11.21 Sunil Madan(DB) to Frank Forelle(DSI)

2. Ad-hoc discussion between DSI and DB

I found one e-mail which was sent by Mr.Madan(DB) to Mr.Forelle(DSI) asking to have a call about specific deals.

In the e-mail, Mr.Madan mentioned 5 individual deals. It is highly possible that they had a discussion over those deals, however it does not consist any breach since there are proper ISA for all of them.

- 2006.11.09 Sunil Madan(DB) to Frank Forelle(DSI)

<Deal Name>

Secured	ISA was obtained on 2006.04.03 from Secured Capital Japan
FL1	Sucuritization Project for existing DB Tokyo's loan
Rice Eater	ISA was obtained on 2006.03.07 from Blue Sky Fund Ltd.
BJT	ISA was obtained on 2006.10.24 from Bobcock & Brown
Single Crown	ISA was obtained on 2006.07.27 from Merrill Lynch

3. Weekly Pipeline Meeting

There is an e-mail evidencing "Weekly Pipeline Call" between DB Tokyo, DSI and DBSI(NY) exist.

However, e-mail does not show any evidence for Firewall Breach.

- 2006.10.24 Austen Gardiner(NY) to Frank Forelle(DSI) and Sunil Madan(DB)

【Review Method】

- Searched by "pipeline" for all e-mails / Review the contents of those hitted mails

- Read all mails (166mails) between September to the end of December which come from/ went to Sunil Madan(Sunil Madan was appointed Head of DB/CRE on 2006.09.25 and left DB Tokyo on 2007.01.01)

Mr. Gary C. Dunton
Chief Executive Officer and President
MBIA Inc.
113 King Street
Armonk, NY 10504

Dear Gary:

I have concluded that I should resign from MBIA's Board. I do so with great regret and only after very careful consideration of the interests of both MBIA and Deutsche Bank.

When I joined MBIA's Board in 2006, existing business relationships between MBIA and Deutsche Bank provided no basis to believe that I would be unable to give both institutions my full attention and undivided loyalty. Given the events of the past week, however, I am now in a position where I can no longer be confident that continuing to act on behalf of both institutions will not lead to the possibility of an appearance that I may have reason to favor one over the other on a matter of great importance to both. In these circumstances, my ability to continue to act on behalf of either institution may be constrained. Given the importance of restoring credibility in the marketplace, I would not want my role to become a distraction to ongoing efforts to achieve this goal.

I am proud to have been associated with MBIA, and I would have liked to continue serving on MBIA's Board. I leave the Board with great affection for all my fellow directors and with appreciation for their wisdom and dedication. I would also be remiss if I did not applaud the exceptional MBIA staff. I am confident that this top-flight staff, with the Board's support, will guide MBIA to future successes.

Sincerely,

A handwritten signature in dark ink, appearing to read "Richard H. Walker", written over a horizontal line.
